

# Metropolitan Home

Metropolitan Home stands alone as the definitive guide to modern design and the unparalleled champion of contemporary style.

The magazine's urban mindset speaks to readers everywhere and sets the standard for how to live well now.

Every article and photograph connects with the magazine's affluent, intelligent and progressive readers.

Each page informs and inspires consumers to decorate, renovate, garden and cook as they create a haven for themselves and their families.

Metropolitan Home's distinctive voice elevates eclectic style and celebrates the impact that quality design has on today's modern world.
